

MARINE CARGO INSURANCE

Marine Cargo Insurance provides indemnity for loss or damage to imported goods being conveyed by sea, and/or air.

Benefits

- Protects you from loss/damage of your goods/cargo.
- Cover is either port to port or warehouse-to-warehouse; from the time the goods leave the seller to the place of storage at the final destination
- Coronation offers an annual open cargo policy which automatically insures your shipments on set terms, conditions and rate without the need to contact us each time or a single transit as your needs may demand.

Requirements

- Protect damage to cargo due to overturning or derailment of other land transport
- Protect damage to cargo due to collision of the ship or other form of transport with any external object
- Insured can select cover to protect against all risks "Clause A" or restricted cover "Clause C" damage caused by accident/collision)
- Protect your cargo on ship being stranded, grounded, sunk or capsized/General Average & Jettison
