

MARINE HULL INSURANCE

Marine Hull Insurance covers loss or damage to vessels, yachts and their machinery.

Benefits

- Provides financial compensation for damage caused to vessel
- Liability coverage protects you against third party property damage and bodily injury claims

Requirements

- Insured can select to protect vessel against all risks (theft, fire, damage caused by accident/collision)
- Cost of repairs is paid if an accident occurs
- Covers loss of or damage to your vessel and/or third party property damage as a result of collision.
- Cover applies even if collision is with a sister ship (same owners or management)
